8:00am to 4:00pm

Richmond Olympic Oval
6111 River Rd, Richmond

Free Parking at Lansdowne Mall
Free Shuttle to and from
Lansdowne Skytrain 7am to 5pm

We are having a Winter Expo this year to see if it is easier for clinicians working in schools and clinicians with school aged children to attend. I am only able to rent the facility the first weeks in January and September due to regular scheduled activities at the Oval. So this is the only alternative, if January doesn't work we'll go back to September for future events.

The purpose of Rehab Equipment Expo is to give clinicians and consumers in the community and health facilities access to information needed to make educated decisions regarding the purchase of assistive technology. The event draws well over five hundred clinicians and almost one hundred exhibitors

Throughout the day not only will you be able to visit the exhibit booths; there will also be Resource people on hand to answer questions you may have on clinical issues. Information collected from the major funding sources in British Columbia has been collected and will be available to attendees. There will also be formal education on best practices in rehabilitation..

REE is an excellent opportunity to discover support groups providing services to people with a disability. Many therapists use the event to network and get back in touch with colleagues.

If that isn't enough to convince you that REE2017 is a must; you are also treated to complimentary food throughout the day and a buffet lunch between 11.30 and 1.00.

Please feel free to distribute this information amongst your colleagues in Nursing, OT, PT, Purchasing, and Speech Language Pathology.
